ALL PURPOSE CLEANER & DEGREASER

HDC32

GUNK® All Purpose Cleaner & Degreaser – Heavy Duty is specifically designed to break up the toughest grease and oil on any surface. This Zero-VOC formula is safe for use on all metals and plastics in the garage or on tough jobs around the house and in the shop. You have trusted us to degrease your engine, now allow us to tackle the rest of your home or workspace with a Cleaner/Degreaser that at full strength can be used for grills, outdoor equipment, auto or boat parts with a greasy or oily surface. Dilute it all the way down to 1:35 for light duty surface cleaning in the kitchen, bathroom or just about anywhere! All ingredients are readily biodegradable by ASTM 5864, OECD 301B Modified Sturm Test and will rapidly degrade in soil and water.

APPLICATIONS:

- Heavy Duty
- Quickly Cuts Through Tough Grease And Oil
- Serious Cleaning Muscle That Is Also Safe On Plastic And Aluminum
- Readily Biodegradable
- Zero VOC

DIRECTIONS: This product should be used at full strength to remove tough grease, oils and other soils. For best results, cover surface evenly with cleaner/degreaser, let sit for a few minutes, scrub area, and then rinse with clean water.

STORAGE, HANDLING & DISPOSAL: To eliminate product leakage, ensure that sprayer body is tightly secured on bottle at all times and put spray head in off position when not using product. Dispose of product, container, and residue in accordance with all local, state, and federal laws and regulations. The residue resulting from removal of petroleum oils and greases may be considered a hazardous waste depending on where and how generated. The use of this product to clean engines and bilges in watercraft produces a hazardous waste that cannot be discharged into any waterway. Disposal of contaminated rinse water into water courses, sewers, or on the ground may also be prohibited by law.

DANGER: NOTE: Professional users should consult product Material Safety Data Sheet (MSDS) prior to using this product. Call 704-821-7643 or visit www.gunk.com for MSDS.

FIRST AID: Eye irritant. **EYES:** for eye contact, flush with water for 15 minutes while lifting eyelids. If irritation develops, get prompt medical attention. **SKIN:** in case of skin contact, wash with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** If inhaled, move to fresh air. If breathing becomes difficult get prompt medical attention. **INGESTION:** Do not take internally. If swallowed, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
